

Homework: Week beginning 13th January 2020

We would like your child to write about one Christmas present that they received this year, that they loved.

Describe what it is, how it is used, who it came from and anything else that you can think of. Perhaps you could even include a photograph or a drawing of the present so that we can see the “real thing.” Use school handwriting, a sharp pencil and really interesting vocabulary.

Many thanks,

Mrs Thomas and Mrs Davies
